

# RAIN BARREL WORKSHOP

**WHEN: MAY 18, 2024**

**9:00am-10:30am**

**WHERE: BEAVER CREEK PARK**

**6019 Amber Drive**

**Farmington, NY**

Join the Town of Farmington and the Ontario County Soil & Water Conservation District for a rain barrel workshop! We will start with a short presentation and will follow with a demo on how to build your barrel. We will then help you build your own 55 gallon rain barrel. Installing a rain barrel is an easy way to protect our environment and save money. A rain barrel collects and stores rainwater from your roof that would otherwise be lost to runoff and diverted to storm drains or streams. The water from your barrel can be used for watering flower gardens and awns, washing cars, cleaning outdoor furniture, and the list goes on.

## **PRE-REGISTRATION IS REQUIRED**

**Cost: \$30 per barrel**

To register, mail or drop-off your completed form and payment to the Farmington Town Clerk at 1000 County Road 8, Farmington, NY 14425.

Please make checks payable to **Town of Farmington**. For questions please call the Town Clerk at (315)986-8100 ext. 1
